2. Nature of the Abandonment

- ☒ In the communication from the PTO mailed 09/27/2006, it was noted that this application is abandoned for:
- ☒ failure to pay the issue fee within the 3 month period from the date of the notice of allowance required by 37 C.F.R. § 1.316.
- ☐ failure to pay the balance of the issue fee within 3 months from the date of notification of the deficiency as required by 37 C.F.R. § 1.317.
- ☐ the undersigned has reviewed his/her records and noted that the issue fee for this application was not timely paid.

3. Date of Filing of This Petition After Abandonment

(check all item which apply)

This petition is being filed:

- ☒ within 3 months after the applicant was first notified of abandonment
- ☐ within 1 year of the date of abandonment

NOTE: Under very limited conditions, a petition to revive for unintentional failure to pay the issue fee may exceed the one year limit when abandonment is due to action or inaction by the applicant and the PTO performs a positive documented Official act which could lead a reasonable individual to conclude that the action or inaction was appropriate. Notice of Aug. 26, 1985 (1059 O.G. 4).

4. The delay in payment of the issue fee was unintentional. The entire delay from the due date in paying the required issue fees until the filing of this petition was unintentional. 37 C.F.R. § 1.137(b)(3).

5. Payment

☒ A. Issue Fee

NOTE: "The Notice of Allowance requires the timely payment of the issue fee in effect on the date of its mailing to avoid abandonment of the application. In instances in which there is an increase in the issue fee by the time of payment of the issue fee required in the Notice of Allowance, the Office will mail a notice requiring payment of the balance of the issue fee then in effect. See *In re Mills*, 12 USPQ2d 1847, 1848 (Comm'r Pat. 1989). The phrase 'for failure to pay the issue fee or any portion thereof' applies to those instances in which the applicant fails to pay either the issue fee required in the Notice of Allowance or the balance of the issue fee required in a subsequent notice. In such instances, the reply must be the issue fee then in effect, if no portion of the issue fee was previously submitted, or any outstanding balance of the issue fee then in effect, if a portion of the issue fee was previously submitted.

"In an application abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee. Even if an application abandoned for failure to pay the publication fee is being revived solely for purposes of continuity with a continuing application, the petition to revive under 37 CFR 1.137 must include payment of the publication fee." MPEP, § 711.03(c), Rev. 2.

NOTE: The petition must contain or refer to payment of the issue fee then in effect, if no portion of the issue fee was previously submitted, or any outstanding balance of the issue fee then in effect, if a portion of the issue fee was previously submitted. M.P.E.P., § 711.03(c), 7th Edition.

8. Showing Required When Petition Being Filed is More Than 3 Months From Notification of Abandonment or More Than 1 Year After Abandonment

NOTE: The applicant must carry the burden of proof to establish that the "entire" delay, from the due date for the fee and the filing of a grantable petition, was unintentional regardless of the circumstances that originally resulted in the abandonment of the application. M.P.E.P., § 711.03(c), 8th Ed., Rev. 2.

(complete the following, if applicable)

☐ Because this petition is more than 3 months after the date the Office first notified the applicant that the application is abandoned, applicant additionally submits a showing as to how the delay between the date the applicant was first notified that the application is abandoned and the filing of this petition under 37 C.F.R. § 1.134(b) was unintentional. 62 Fed. Reg. 53,131, 53,159 (Oct. 10, 1997). See M.P.E.P., § 711.03(c), 8th Edition, Rev. 2.

☐ Because this petition is more than 1 year after the date of abandonment of the application, applicant additionally submits further information as to when applicant (or applicant's representative) first became aware of the abandonment of the application, and a showing as to how the delay in discovering the abandoned status of the application occurred despite the exercise of due care or diligence on the part of the applicant (or applicant's representative). 62 Fed. Any terminal disclaimer pursuant to § 1.137(c) must also apply to any patent granted on any continuing application that contains a specific reference under 35 U.S.C. 120, 121, or 365(c) to the application for which revival is sought. The provisions of § 1.137(c) do not apply to lapsed patents or to applications for which revival is sought solely for purposes of copendency with a utility or plant application filed on or after June 8, 1995 or to reexamination proceedings.

- A. ☒ This utility/plant application was filed on or after June 8, 1995 and no terminal disclaimer is required.
